

Create Quicken ID

How to create Quicken ID?

On March 3, 2016, Intuit announced to sell Quicken to H.I.G. Capital. Afterward, there are a lot of changes made in Quicken like Quicken ID. The question arises here What is and how to Create Quicken ID?

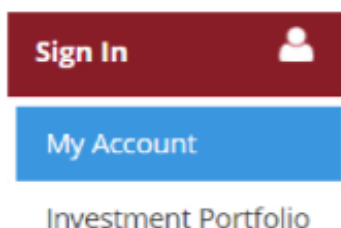

This post is valid for United States & Canada

What is Quicken ID?

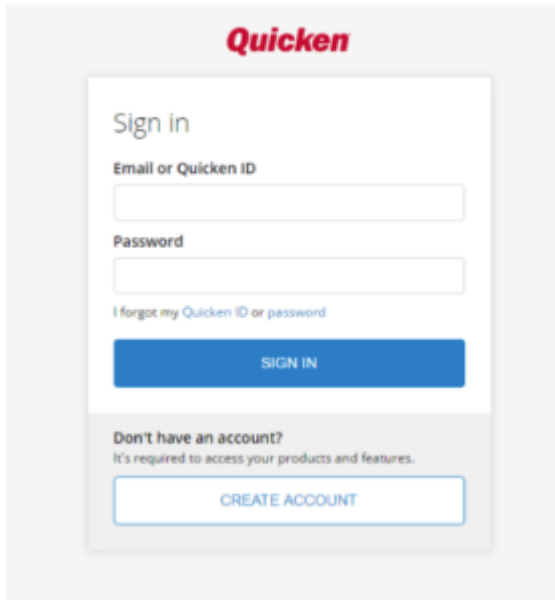

It is a universal access for Quicken online services and product registration, including Quicken For Windows, Quicken For Mac, Quicken Mobile App & Quicken.com.

You can create Quicken ID with the help of following steps:

1. Go to [Quicken.com](https://www.quicken.com) and move your cursor on Sign In option(top right-hand side corner) and click on **My Account**

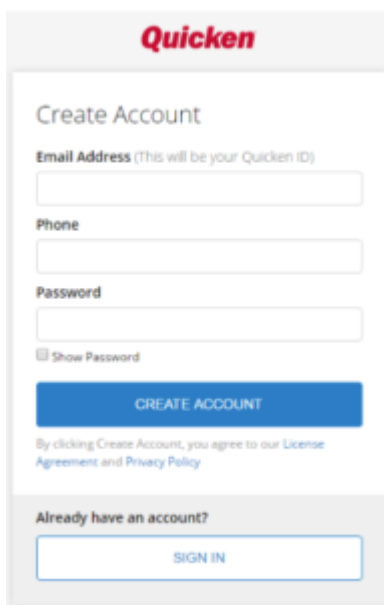

2. On next page, you'll get an option for **Sign in & Create Account**

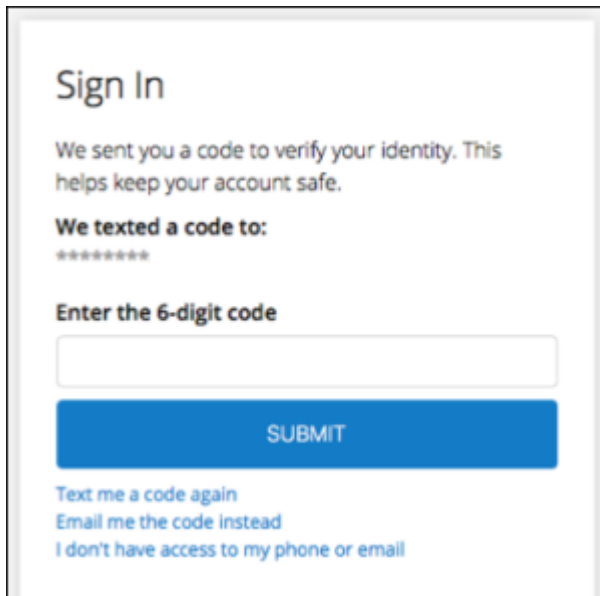

The image shows the Quicken sign-in interface. At the top, the Quicken logo is displayed in red. Below it, the heading "Sign in" is centered. There are two input fields: "Email or Quicken ID" and "Password". A link "I forgot my Quicken ID or password" is located below the password field. A blue "SIGN IN" button is positioned below the input fields. At the bottom, there is a section for "Don't have an account?" with a subtext "It's required to access your products and features." and a "CREATE ACCOUNT" button.

3. Click on **Create Account** & then put your Email(will be your **Quicken ID**), phone number and password.

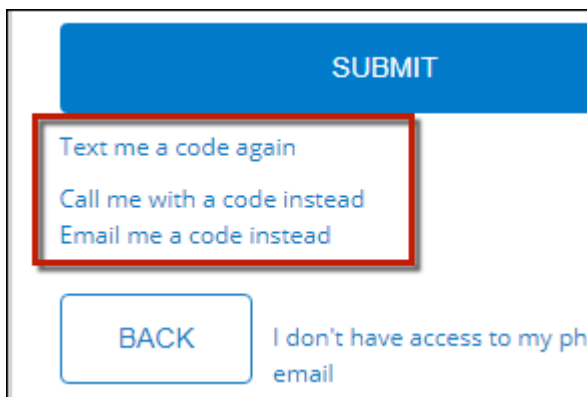

The image shows the Quicken create account interface. At the top, the Quicken logo is displayed in red. Below it, the heading "Create Account" is centered. There are three input fields: "Email Address (This will be your Quicken ID)", "Phone", and "Password". A "Show Password" checkbox is located below the password field. A blue "CREATE ACCOUNT" button is positioned below the input fields. Below the button, there is a link "By clicking Create Account, you agree to our License Agreement and Privacy Policy". At the bottom, there is a section for "Already have an account?" with a "SIGN IN" button.

4. Once you put all information click **Create Account**, it will send you on a screen for validation of an account with the provided information. Your account will verify with a 6 digit code.

5. You can change an option for verification like instead of a text message, you would like to receive an email or call with a code. On the same screen at the bottom click on **“Email me the code instead”** or **“Call me with a code instead”**

Same process will be follow for Quicken For Mac. If you face any problem while creating a Quicken ID, call to [Quicken Support Team](#).
